

## Sisters' S. C. E.

### FROM THE PRESIDENT.

I send you again a list of the S. S. C. E's., now organized; also the names of the presidents so far as I have them. I am trying to get a complete and correct list. In the former list were two or three which I afterward learned were not working under the S. S. C. E. constitution. As this list is intended to show just how many societies are tributary to the National Organization, I have dropped those. I have asked several times for the names of the presidents of all the societies, but you will notice in this report that a number of societies have not responded. In a few weeks we expect to send out to each society, a blank for remitting dues to the treasurer. If we do not have the names of officers of the different societies this will put us to quite a bit of inconvenience. Now, dear sisters, we are preparing these forms to make it easier for the secretaries to remit. Won't the secretaries in return send us the names of the presidents of their societies to make it easier for us to send the blanks? In due time the blank form will be printed in the EVANGELIST and explained so that all may understand it. If there have been any new societies organized and not reported, please report at once. If there are any old societies not in this list please notify me. Below we give the name, place and president: Fairview, Ind., Mrs. Lottie Hardman; Mexico, Ind., Effie Collett; North Manchester, Ind., —; Milford, Ind., Mrs. Nina Becknell; Nappanee, Ind., Elizabeth Frazier; Roann, Ind., Sarah Kennedy; Warsaw, Ind., —; Loree, Ind., Mrs. Ella Fox; College Corners, Ind., Miss Anna Harvey; South Bend, Ind., Mrs. Hattie Frame; Gravelton, Ind., Miss Nancy Mast; Brighton, Ind., Mrs. Mattie Smith; Lanark, Ill., Mrs. Mary Searle; Milledgeville, Ill., Mrs. Mary Bear; Cornell, Ill., Mrs. Alice J. LAURA E. N. GROSSNICKLE.  
Mapleville, Md.

### FROM BEAVER CITY, NEB.

At our Ladies' Aid society it was decided to appeal to our brothers and sisters in the east for assistance in this our time of need. It will be next to impossible to put out a crop in the spring without help in the way of feed and seed. Cannot the brethren assist us either in the way of seed and feed shipments or in money that we may buy. Contributions in almost any thing would be acceptable, as the brethren will, many of them be very destitute before another crop can be raised. We will make an effort to pay freight on all shipments made. Aid society appointed the following committee to do what was necessary toward getting aid from the east. B. F. Seibert, Mrs. A. L. Sturtevant, John Frank. Send all shipments of grain to Frank Seibert. Correspondence to Feb. 1. MRS. ANNIE STURTEVANT.

## King's Children.

### FROM BROOKLYN, IOWA.

As others are writing you of their King's Children society I will try to tell you of ours. We have our meetings at 6:30 each Sunday evening. Brother Gillen preaches for us every two weeks, so he meets with us then. Last Sabbath evening we had some speaking exercises and a choir composed of four girls and boys of King's Children. They did well considering it was their first attempt. Thursday evening of this week we are to have a King's Children social at the home of sister Lulu Miller, proceeds to help pay the janitor. Now I will ask the K. C's. where were the disciples first called Christians? Respectfully,

Feb. 7.

WILL A. CONNER.

SIN and misery belong to each other as cause and effect, and have never by eye of God or man been seen apart. Together they were born, and together they have reveled alike on human sacrifice and human agony ever since. Their birth was under the same malignant star, the same accursed dominance has marked their history, and Christianity shall dictate the hymn in which the glad tidings of their destruction shall be peeled around the enlightened and renovated earth.

WHEN once the lake is cased in ice, heat from below can not warm its surface; only the breath of heaven can bring life and motion.
